

Preparedness Points

All students will begin each trimester with 50 "Preparedness Points" that will appear as an A+ grade in each class. In order to maintain the 50 points and keep the A+ grade, students must come to class each day prepared with the necessary materials. Beginning September 21st, students will lose 5 points each time they come to class without the appropriate materials. We hope students will be motivated to maintain their 50 preparedness points and come to class each hour prepared and ready to learn.
